In 2005, the Legislature amended the Texas Transportation Code Section 545.356 to allow a city to set a speed limit lower than 30 miles per hour, but not less than 25 miles per hour, on a highway if:

- the highway is not an officially designated or marked highway or road in the state highway system;
- the highway is 35 feet or less in width;
- vehicular parking is not prohibited on one or both sides of the street;
- and •the highway has less than four lanes used for vehicular travel.

Texas Transportation Code Section 545.356 allows that the City Council may lower the speed limit along the residential streets in the area bounded by Stassney Lane, Manchaca Road, Ben White Boulevard, and the Union Pacific Railroad to 25 miles per hour. Most of the streets within the area are eligible under state law for a 25-mile per hour speed limit. The exceptions are Banister Lane from Ben White Boulevard to Redd Street, Rose Hill Circle from Stassney Lane to end of Rose Hill Circle, Kings Highway from Stassney Lane to end of Kings Highway, and Brittany Boulevard from Kings Highway to end of Brittany Boulevard, because these streets are wider than 35 feet. They are not included in the recommended Code changes.

Staff recommends that Section 12-4-24 be amended to add the following streets to the list of streets with a maximum speed of 25 miles per hour.

Arden Drive from Banister Lane to Jinx Avenue. Banbury Bend from Philco Drive to Sylvan Glade. Birchwood Court from Gillis Street to end of Birchwood Court. Brighton Road from Green Forest Drive to end of Brighton Road. Calais Court from St Georges Green to end of Calais Court. Camelot Circle from Brighton Road to end of Camelot Circle.
